Explanatory Notes

This is an International Certificate of Education (ICE) statement of results. Cambridge International Examinations reserves the right to amend the information on this statement. Results will be confirmed by the issue of certificates.

Distinction, Merit or Pass will be awarded to candidates who meet the requirements of ICE. Only individual syllabus results for the first series are reported on this statement of results. Therefore not all of the counting syllabuses used to determine ICE are shown for candidates taking ICE over two series.

International General Certificate of Secondary Education (IGCSE) results are reported on an 8-point scale of grades: A*(a*), A(a), B(b), C(c), D(d), E(e), F(f) or G(g), grade A*(a*) being the highest and grade G(g) the lowest. UNGRADED indicates a standard below that required for grade G(g).

General Certificate of Education Ordinary Level (GCE O Level) results are reported on a 6-point scale of grades: A*(a*), A(a), B(b), C(c), D(d) or E(e), grade A*(a*) being the highest and grade E(e) the lowest. UNGRADED indicates a standard below that required for grade E(e).

NO RESULT indicates that a result cannot be issued because of absence for the whole or part of the examination in the syllabus or because of a decision not to issue a result for some other reason.

PENDING indicates that a result cannot be issued at present but will follow in due course.

TO BE ISSUED indicates that the results will be issued in the next series.

In some IGCSE syllabuses Oral/Aural (Speaking & Listening) communication is reported separately on a 5-point numerical scale, grade 1(ONE) being the highest and grade 5(FIVE) the lowest. Candidates who fail to reach the minimum standard for grade 5(FIVE) will not receive an Oral/Aural (Speaking & Listening) communication endorsement. The endorsement grade for Oral/Aural (Speaking & Listening) communication will be reported on IGCSE certificates provided the overall IGCSE syllabus result is grade G(g) or higher.

For English as a Second Language 0510 the Oral/Aural is compulsory and is reported separately. For English as a Second Language 0511 the Oral/Aural is compulsory but is not reported separately.

For First Language syllabuses and Afrikaans as a Second Language, Speaking & Listening is optional and is reported separately. For First Language English 0622 the Speaking & Listening is compulsory but is not reported separately.

The Percentage Uniform Mark for IGCSE and GCE O Level is provided in addition to the grade for a syllabus. The Percentage Uniform Mark is not the total mark achieved for the syllabus. It is a common scale for all syllabuses to show whether the candidate's performance is close to the top, bottom or middle of the grade. A Percentage Uniform Mark is not provided where the candidate's result is Ungraded, No Result, Pending or To Be Issued.

Only grades A*(a*) to G(g) achieved in IGCSE and A*(a*) to E(e) in GCE O Level syllabuses will be reported on certificates.

Only Distinction, Merit and Pass achieved in the ICE Award will be reported on certificates.
